COMMENTS ON REASONS FOR ALLOWANCE

**EFILED**

Commissioner for Patents

Sir:

In response to the Notice of Allowance mailed October 13, 2011, and without withdrawing the above-identified application from allowance, please consider the following remarks:

-----■

In re Patent Application of:

**ROY ET AL.**

Serial No. **10/777,577**

Filed: **02/12/2004**

---

**REMARKS**

Upon review of the Notice of Allowance, Applicants note an error in the listing of claims set forth in the Examiner's Amendment. Claims 13, 17, 25, 27 and 28 were amended in the telephone interview of October 7, 2011. In contrast, the Examiner's Amendment lists the amended claims as claims 13, 17, 21, 27 and 28. On page four of the Detailed Action claim 25 is correctly amended by adding the words "non-transitory". However, the claim is incorrectly identified as claim 21. As such, Applicants request a Supplemental Notice of Allowance which correctly numbers the claims amended in the Examiner's Amendment.

If any extension and/or fee is required, authorization is given to charge Deposit Account No. **01-0484**.

Should any questions arise regarding the entry of this amendment, the Examiner is respectfully requested to telephone the undersigned at the Examiner's convenience.

Respectfully submitted,

/CHRISTOPHER F. REGAN/
